## **REPORT**

### **2.4.6: Students Develop Competence to Organize Academic, Cultural, Sports, and Community-Related Events**

The students of Jesus Training College Mala, during their practice teaching session in various schools from 11/9/2023 to 19/12/2023, actively participated in numerous programs and events. These included planning and participating in various academic, cultural, sports, and community-related events, which were instrumental in developing several competencies in them.

#### **1. Planning and Scheduling Academic, Cultural, and Sports Events in School**

- **Planning and Executing Lessons for the Students**

During their practice teaching program, the students of Jesus Training College Mala demonstrated commitment and dedication in organizing and carrying out various academic activities. These included determining learning objectives, creating lesson plans that incorporated teaching techniques, resources, and evaluation methods, and providing differentiated instruction and meet the needs of a wide range of students' active engagement and interaction with one another. They demonstrated proficiency in areas of classroom management, such as establishing classroom rules, managing classroom discipline, and maintaining a polite and productive environment for effective teaching and learning.

- **Construction and administering of various tests.**

Students actively participated in creating a variety of assessment techniques such as achievement tests and Diagnostic test at high school level and up level. Various psychological tests are also administered. On the basis of scores obtained in the achievement test students were placed different ranking.

- **Organizing Awareness Classes**

The awareness classes conducted by students of Jesus Training College, Mala, during their practice teaching assignments were successful in achieving their objectives. These initiatives fostered community engagement and promoted

holistic education. The classes addressed important topics and issues relevant to the students and the community, promoting social responsibility and providing valuable contributions to both the community and the educational experiences of the students.

Topics were selected based on their relevance and significance to the community and the school environment, covering areas such as, Ozone day, Food fest, Kerala Piravi etc.

The awareness classes conducted by students of Jesus Training College had a positive impact, successfully achieving their goals, fostering community engagement, and promoting holistic education. This initiative proved to be a valuable contribution to the betterment of the community and enhanced the educational experience of the students.

Preparation and utilization of various learning resources and ict integrated learning materials

During Preparative assignments, the student teachers of Jesus Training College, Mala actively contributed to the creation of a variety of learning resources to assist their instruction teaching methods. They effectively used various audio-visual aids and materials to demonstrate concepts and engage students effectively in the teaching-learning process employed to make learning interactive and enjoyable. ICT-integrated materials, such as multimedia presentations and educational software, were utilized to enhance the understanding of complex topics. Learning resources were adapted to meet the specific needs of the students and the classroom environment.

- Remedial Teaching

As part of their practice teaching program, students from Jesus Training College, Mala, organized a remedial teaching program at various schools. This initiative specifically targeted slow learners, aiming to address and eliminate the weaknesses and deficiencies they faced in their learning processes. The remedial teaching sessions successfully built confidence among the learners, enabling them to grasp concepts thoroughly. After these classes, the students were able to solve problems using logical thinking and independently find answers to questions related to the topics covered.

## **2. Planning and Execution of Community-Related Events**

Student teachers from Jesus Training College played a crucial role in supervising and coordinating the programs such as

- Eye camp

As part of the community living camp, on 22<sup>nd</sup> August 2023, an eye camp was conducted at Jesus Training College organised by Vasan Eye Care. The camp was open to the community. The doctors provided free diagnoses that the staffs, students and people from Mala and other localities benefitted from.

- Cleaning bus stand

On the World Environment day the students of Jesus training college took part in cleaning the premises. This included the nearby Mala Private Bust stand.

- Old age home visit and Donation of goods

As part of the community living camp, the students and staff of Jesus Training College visited Abhaya Bhavan, Porathissery. A gift was prepared that included the necessary materials that they would have required and was donated.

- Medical camp

The community living camp of the students of the batch 2023-25 included conduction of a Medical camp on 7<sup>th</sup> June, 2024. The camp was conducted in association with the doctors of Gurudharma and Apollo Hospitals. Doctors of various departments provided free consultation to not just the staff and students of the college but also the people from the community of Mala.

- Cleaning of Kazhimbran beach

As part of the community living camp of the students of the batch 2022-24, a visit was made to Kazhimbran Beach where the students of Jesus Training College took part in cleaning the premises all the while enjoying the beauty of nature.

- Contribution to Anti-Drug Campaign and flash mob

Significant contributions were made by Jesus Training College students to the anti-drug campaign on 26<sup>th</sup> June, 2023. Students actively promoted a drug-free environment, educated their peers, and raised awareness about the dangers of drug abuse. In relation to the event a flash mob was also conducted.

### **3. Building Teams and helping them to participate:**

- Cultural fest

Co-curricular activities are as important as academic programs for the all-round development of the students. Upholding its significance, the students of Jesus
